

# Music At MUMC

Matecumbe United Methodist Church has a YouTube account!

If you are not already a subscriber to the MUMC account, please click [here](#) to register. This will give you full access to each of Pastor Pavey's recent sermons.

Additionally, you can access the **music video library** at the YouTube account. Rich Russell is working to grow this section systematically. Check back often as more and more music is being added – such wonderful inspiration!

Enjoy many of the spiritual songs, often creations written and performed by Rich Russell and/or Pastor Bob Pavey... two talented musicians... and recording artists!

There are also songs on the YouTube account by the Island Quartet – a fabulous local group assembled by Rich Russell who entertained for over a dozen years.

The Island Quartet was a men's gospel group from Islamorada. Formed in 2000, the group included Jim Roper (tenor), Rich Russell (lead), Mike Young (baritone) and Scott Cavanah (bass).

Often the Southern Gospel songs they sang were composed by Rich Russell. While the group is no longer active, many of us will long remember their musical impact on our community.

# The Worship Team

“Serve the Lord with gladness! Come into his presence with singing!” (Psalm 100:2) And we sure do that well with the likes of **Pastor Bob, Richie Russell, Jan Grewe, the Worship Team, and the talented Yana Pate** playing the piano. The 2019 Christmas Cantata was certainly exceptional.

If you'd like to join the Worship Team just show up for practice Wednesday evenings at 7 p.m. Snowbirds are welcomed and appreciated!

Following both the October and December 2019 dinners after church, the Worship Team took their music to the **Plantation Key Rehabilitation Center**. Others from our church accompanied the Worship Team to provide fellowship. Especially appreciated was Nan Inches with her wonderful treats for the residents.

Did you know that **Pastor Bob and Richie Russell** have recorded Christian music together. If you don't already have their CD you are really missing something special. Pick up one in the church narthex. In addition, Richie created a musical CD of his songs as a unique and treasured “Christmas card” for the 2019 holiday.
